FELLOW-CITIZENS OF BOSTON:-You rath-

is often as analogy between occurrences in the moral and political world, and sometimes political agitations pass away, bringing after day and generation. If I keye so done. however little, or however much it may be. l owe it mainly to the constant, the warm, the unwavering friendship and support of the people of Boston. I am bound the way of all the earth. I shall ere long follow your fathers and my fathers to my last h But while I live and breathe, while I have the power of language, or of thought, white my heart beats or my tongue moves, I shall feel and I shall speak of busios, as the chershed object of my public, political, I may

say, friendly regard. Gentlemen, you do not expect to hear from me to-day, any discourse. I come to see you, and you come to see me. It is not an occasion for the discussion of any politiyou from your affairs, while I rehearse any opinions of my own, or state the grounds of hose opinions. But let me congratu ate you, that the events of the last year or two have placed us under better auspices. see clearer, we breathe freer, we feel a new assurance that our political institutions, the rich biessings and inheritance which we derive from our fathers, will endure, be perpetual, be immorian if any instit

nan on earth can be immortall Yes, fellow-citizens, the youngest of your children, the youngest of your grand chil-dren, will grow up to manhood, in the proud feeling that they are born to an inhermance of imperishable liberty in these United States of North America, and in this ancient and beloved-I say beloved, and to be alsoloved and venerated Commonwealth of

Why, fellow-citizens, we need not be rain, we need not be too much self-natisfied. but after all, who is there among you at this moment that would exchange his political nd social condition for that which the inhabitant or the resident of any other country under the wide scope of the canopy which is over us? Where would you go with satisfaction? You would stay under the institution of your country with antiefac-tion; you would enjoy that political power which is so universally disseminated on pop-ular principles, with satisfaction and gratifi-cation. For here every citizen feels that he is a men. If he is one of the governed, he is also one of the governors, and has a voice in every transaction of public policy and national concern. Let others say what they will; let others commend what they please; let them like either a moral royal, a more despotic, or a more democratic form of government; for myself, and I believe I may speak for you, we are satisfied with our condition, as people of the United States and citizens of Massachuseus living under a free, popular and glorious representative gov-ernment, which makes us known favorably

Gentlemen, let us despair of nothing in behalf of our country. We see it growing in prosperity. We shall see that the return ing sense of the community, the great prin-ciple of love of liberty—and, we might add, and I would add, with all the emphasia that I can pour out of my heart—the love of Union will keep us together. (Applause.) If I had ten shousand voices, if I could speak

what are all these cavils, and questions, and sectional quarrels. They are not fit to inhabit the heart of a true American, for the heart of a true American embraces his whole country, and if it is not big enough for that or otherwise, with said company for lighting his bosom. (Appleuse.) I have said, gen-by gas, of any street, lane, alley and public, tlemen, that the little I have done, if I have done anything for good, is mainly attributable to the support which you and your brothers and your fathers have given maker in the city of Boston. I am not ungrateful for it. As I have found you in times

past I find you now, and I am sure I shall continue to find you; and let me say to you; let me entreat you this day to deliver to your children what I ray-that as Boston found WE WILL HAVE IT. me thirty years ago she finds me to-day, support of me in my political course thus is designed to be.
